Casa Sueño

Avenida de la carpa #212

ABOUT THE PROPERTY

Discover Casa Sueño, a high-potential property in the well-known Roca Azul residential community in Jocotepec, Jalisco, minutes from Lake Chapala. With 1,000 m² of land and approximately 500 m² of construction, this property offers a unique feature: it is divided into three independent homes, two of which are fully built, while the third is currently a shell structure, offering the opportunity to complete it and customize it according to the new owner's needs. The layout of the property offers multiple possibilities: a family home, a multigenerational residence, a vacation home, a property for hosting guests, or even an investment and rental project, subject to applicable conditions and regulations. A PRIVILEGED SETTING

Living in Roca Azul means enjoying a peaceful and natural setting in the Lake Chapala area, with proximity to the lake and access to a variety of recreational amenities. The development features sports facilities, green areas, swimming pools, a thermal-water pool, social areas, and camping areas. The location also makes it easy to enjoy everything Jocotepec has to offer: its downtown area, restaurants, local cuisine, cultural attractions, outdoor activities, and the traditional malecón overlooking Lake Chapala.
