

\$265,000 USD

Rancho San Patricio

ABOUT THE PROPERTY

The distance will not be an obstacle to admire the views of tranquility that this land offers, separated from the road you will be surprised by the potential that this land has to build your home away from the noise just 45 minutes from the city. Electricity, good access, and above all abundant water are the characteristics that define this piece of land. Located on the road from the hacienda to San Martin near Roca Azul in the municipality of Jocotepec is where your new home awaits you. Its rectangular shape with its 7500m2 will give you the option to choose the best part of the land according to your project to build your house or cabin and/or plant fruit trees. Contact us for an appointment to show you your next investment or relaxation project!
