ABOUT THE PROPERTY

Perched in one of the most desirable areas of the Lake Chapala area, this exceptional residence captures spectacular views of Lake Chapala and Cerro de García, creating a front-row seat to some of nature's most breathtaking sunrises and unforgettable sunsets. This remarkable four-bedroom home represents the pinnacle of style, functionality, thoughtful design, and premium craftsmanship. Each of the four spacious bedrooms features its own private full bathroom, offering comfort and privacy for family and guests alike. The home also includes two half bathrooms, one conveniently located near the living area and another one outdoors to serve the pool, terrace, and exterior entertaining spaces. Throughout the residence, natural materials (granite, cantera, solid wood, natural stone, marble, etc), premium finishes, and carefully selected architectural details come together to create a home that feels both sophisticated and warm. Every space has been designed with purpose, balancing elegant aesthetics with exceptional everyday functionality. Homes like this, with four ensuite bedrooms, spectacular views, natural materials, refined finishes, and such exceptional functionality, do not frequently become available. You deserve it because you've earned it! If you have been waiting for a truly exceptional Lake Chapala residence in a private community with controlled access, one you can be proud to call home. This may be the opportunity you have been waiting for.
