Panorama Resort Living

Raul Ramirez #61, Raquet Club, San Juan Cosalá

ABOUT THE PROPERTY

Nestled in a breathtaking setting with panoramic views of Lake Chapala, Mount García, and the vast horizon, this stunning residence exudes quiet elegance and comfort. Upon entering the courtyard your eyes will be immediately drawn to its majestic life size steel horse sculpture and captivating surroundings. The smell of rose and jasmine greet you with hints and promises of things to come. The home's main floor offers a luxurious master suite with separate his and her bathrooms and closets. The open living and dining area seamlessly flow onto the spacious terrace, perfect for soaking in the truly stunning panoramic views. An outdoor kitchen area designed for many memorable events under the stars rounds out this level.

Downstairs, the lower-level features two additional master suites, one with a large office/yoga/art studio bonus room. Here you will find a second well-appointed kitchen and another large terrace, all with those grand panoramic lake views. Large living areas mean space is abundant for relaxation and entertainment to the max. Now let's step outside to discover the warm and inviting solar heated pool that includes an abundant seating area as well as a large beach-style palapa and a soothing, cascading waterfall. Take the time to cozy up to the private, well-stocked bar that invites some serious entertaining in this exclusive private resort you will call home. The evening is ending? Let's take just a few steps to discover a very secluded Jacuzzi for relaxation and rejuvenation. An incredible way to end the evening. This property boasts a two-car garage with ample storage. Thoughtfully designed to keep your cars and equipment indoors and secure. The property is also blessed with over a dozen mature fruit trees from bananas to star fruit. Enjoy them all! Just a few steps away, you have access to common hot spring pools, a clubhouse with eight tennis courts, a library, a gym, top shelf restaurants, and an array of world-class amenities. This home offers an unmatched lifestyle in a truly magnificent location. If all of this wasn't enough, the house comes with an innovative solar power and energy storage system for when the power goes down. A furniture package is available upon request. 24 hours' notice required to see this beauty. Do not Delay. Make an appointment.
